From our Pastor

The world is waxing worse and worse as the Scriptures have foretold. Before time and opportunity run out, we must strive to reach people with the message of salvation. Let us never forget that Jesus is the *ONLY* way of salvation (John 14:6). Certainly there are obstacles to reaching others, but we must seek the Lord's wisdom on building bridges to bring people to Christ. My prayer is that the Lord would expand our burden and vision for worldwide missions. Get involved in helping other people know Christ—*Go, pray, and give!*

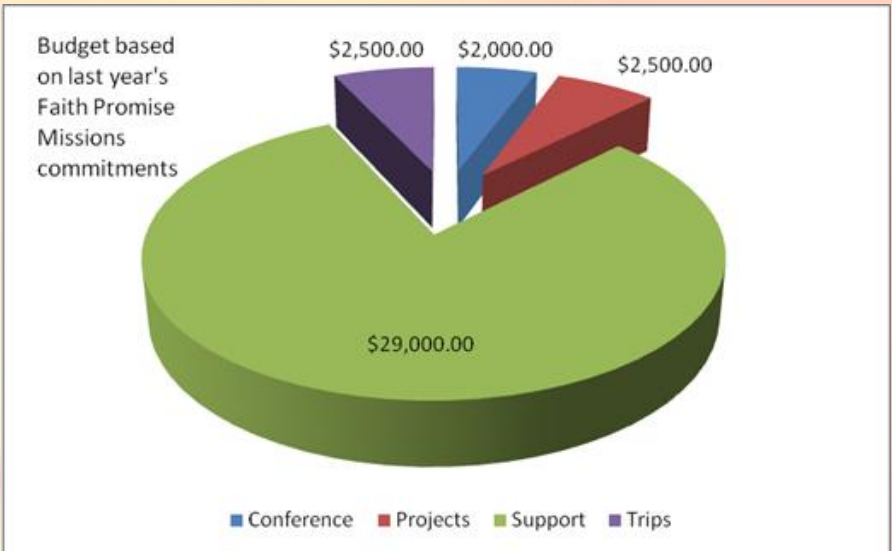

Building bridges to reach others,

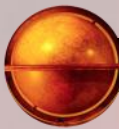

Pastor Dennis M. Schaffer

2010 Budget & Goals

Our Missions budget for the next year will be determined by our church's Faith Promise Missions Commitments. We seek to do the following as the Lord allows: support missionaries and ministries, help with special projects, send people from our church on mission trips, and host an annual missions conference. Last year's commitments totaled \$36,000.

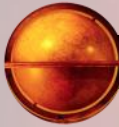

Keynote Speaker

Open Door Baptist Church has supported Dr. Justus Banuel for over twenty years. He and his family serve the Lord in India through several creative ministry works. He has been able to start 437 churches, and they also reach children through their orphanage and school ministries. Over the years, the Banuels have seen nearly one million people trust Christ as Savior. Please pray for Dr. Banuel as he preaches to us, and ask the Lord to burden your heart for the need of people around the globe.
