**August 2010**

**Dear Pastor and Friends**

**Greetings to you in our Lord's sweet Name! By the time many of you receive this prayer letter, I will be in the United States. I am arriving August 18<sup>th</sup>. The schedule this year is very hectic. I will be on more than 20 different flights and hope to visit over 40 churches before returning home in November. I look forward to seeing many of you while I'm there.**

**This has been a very difficult month for us. We've had several visitors from the United States, which is always a blessing, but sadly, we were involved in a tragic accident during the visit of Pastor Humber from Summerville, Oregon. I have asked Pastor Humber to tell you about the accident because it is too painful for me to write about. He has been so kind to do so and his note is included at the end of this prayer letter.**

**In the past month, 745 souls have been saved in the ministry. Our baptisms are still low due to having so few areas where the water is safe enough to baptize. We Baptized 63.**

**My youngest daughter, Blessy, will begin college on August 9<sup>th</sup>. We wish she was nearer to home but we know that God is with her every day. This is her first time away from home and she is our youngest. Please pray for her and my wife, Isabella.**

**All the ministries are going well and we are operating on whatever God provides for us. Because it has been a while since we listed all the different ministries we have, a list is included in this letter. Any area that you feel God is leading you to help with will be so much appreciated.**

**Again, I look forward to seeing many of you while in the USA. Please feel free to contact me by phone while I am there. The number is 770-337-8748. I hope to talk with many of you.**

**Because of Him,**

**I am writing on behalf of Justus Banuel. During a recent visit with Bro. Banuel, I was very blessed by the ministry God is doing there with a faithful servant of His. I am glad that we invest in this ministry and that you do as well. While traveling back to his home from a weekend of ministry, we found ourselves in a terrible automobile accident. A man on a motorcycle pulled in front of us never looking in our direction. We were traveling on a four lane highway and had the right of way. Bro. Banuel tried everything he could to avoid hitting the man but it was not possible. Sadly, the man died. Bro. Banuel was cleared of any wrong doing after hours of investigation and released from the police. Please pray for Bro. Banuel and his family as well as the family of the man that died. The Banuel family is very saddened by this because they have dedicated themselves to bringing life to people in Christ. If you have any further questions, feel free to call me at: 541-534-9155.**

**Your fellow servant, Franklin E. Humber, Pastor**
