Dr. Justus Banuel

Dear Pastor and Friends,

October, 2011

Greetings to you in our Lord's Sweet Name.

At the writing of this prayer letter, I am at the halfway point of my trip to the USA. It has been wonderful so far and I know the remainder of the trip will be the same. My thanks to all of you who have been so kind and gracious to me. It is always a great joy for me to spend time with my brothers and sisters here and I thank God for giving me this opportunity each year.

In last month's prayer letter I told you of the need for a generator for our new auditorium. We are so grateful to those who have given toward this project and hope to soon have the full amount so we can purchase the generator. Also I hope you will continue to pray about our court date for the minority application hearing and about completing the work on our new orphanage. These are ongoing prayer requests for our ministry.

While I am here, my son, Allen, is taking care of the work in India. It is a huge responsibility and he is doing a great job. He has reported to me that 1680 people were saved in our ministries during the past month and 242 were baptized. I praise the Lord for Allen and for all our preacher boys and thank Him for the many souls who are being led to Christ through our ministry.

Now I want to tell you about a new project that is so exciting to me. The area where we serve in India speaks the language of Tamil. There are 125 million people who use this language around the world. The Bibles we have printed in our language of Tamil do not have headings telling the subject matter of passages of scripture such as "The Creation" in Genesis 1 or "The Birth of Jesus" in Luke 2. God gave me a burden to go through the Bible we have in Tamil and add these headings. I have spent many months compiling the headings and my son, Allen, is working on the translation while I am away. The cost for this new Bible will be \$3.26 each if we print 10,000 copies. The Bible I have in English that I use when I come to this Country has these headings and it has been very helpful to me. I believe it will also be helpful to our pastors and Bible teachers and Sunday School teachers in India. With type setting and proof reading the first time cost will be \$34,000 for 10,000 Bibles. If anyone can help us with this project, please designate that you are giving for the New Bible Project. We will keep you posted on our progress.

Remember you can call me while I am in the USA at 770-337-8748. I am looking forward to seeing many more of you while I am here.

Thank you for your love and prayers and support.

Because of Him,

Justus Banuel
