Dear Friends in Christ:

Greetings in Jesus Name. Many blessings at this Easter Season. We have so much to be thankful for. My mind goes to that old rugged cross that made a difference in my life. Praise the Lord.

I trust that you have been enjoying the beautiful weather like we have had here in VA.

We had expected to be in Chile, SA this month . Hugo Morales , the young man that I had the privilege to work with while in Chile will be ordained this month. With the high cost of air fare we felt that we needed to stay at home and use that money more wisely.

Our country is facing some hard challenges. With rising gas prices and so many people out of work and our choices for president are a Mormon and two Catholics . I am so thankful that God is still on the throne and that He can handle the situation. There is nothing too hard for Him.

Bonnie and I are still working at the health clinic, We screen the ones that come in. Many are Spanish speaking. I interpret for her and the Drs. that aren't able to understand Spanish. I spent over half of my life in Chile and now God sends the Spanish people to me. We try to witness and pass out tracts to each one that comes in..

We want to say a special Thank You for your faithfulness in giving and praying for us. May God bless each of you.

If you need to contact us our phone numbers are: 804-745-8332 and 423-443-2453
