

David & Virginia Diamante
--Your Missionaries to the Philippines

May-June, 2010

Dear Brethren at *Open Door*,

Greetings from the other side of the world. God blessed the work while we were home on furlough. Attendance at Bethel had increased, the school had finished another good year, and the work in Bulacan was still ongoing.

Our DVBS, "A Trip to Outer Space", was a success. We had an average of 100-105 children (ages 4-12) every day. Because it was so hot we changed the time from afternoon to morning. There were no professions of faith, but we now have many contacts to follow up.

Our 15th year of classes began on June 15 at Precepts Educational Academy and we have 52 students from kindergarten through high school. All five of our high school graduates are in college and doing well. One has made the Dean's list at the university he attends and is in the top ten in his class. They are all faithful in church and are active participants in activities at church.

In the two months we have been back God is blessing at Bethel. There have been four professions of faith—two adults and two young people, and six have come requesting to be baptized. We will have the baptism in a couple of weeks. Also, a neighbor of the church has requested we have a home Bible study in her home. At present, fifteen are attending the weekly Bible study. Pray that God will work in the hearts of these and we will see them saved.

We are greatly encouraged by your prayers and faithfulness in supporting us in these difficult economic times. Thank you for the \$ 50- in April and for the \$ 50- in May.
