

# THE BIBLE TO THE FRENCH WORLD

500 MILLION PEOPLE NEED A GOOD FRENCH BIBLE

Pray for the **GEOFFRIONS** and for the  
French Bible revision project.

*DREAMS DREAMS DREAMS DREAMS DREAMS DREAMS*

I have had many dreams over the years (not literal dreams). When Jesus saved me decades ago in Los Angeles, California, my first dream was to preach the gospel to the French; it came true. It was the call of God. For some four decades Church planting consumed me. My second dream was to have a God honoring, happy marriage (I come from a broken home). On our first date over 41 years ago, I asked Jeannette to marry me—a beautiful blue-eyed blond and still a knock-out. I continue living the dream.

I have had countless other dreams—some **BIG**, some small. So many have come true, and I thank God for all of them.

## MY DREAM TODAY

To finish the major revision of the text of the French New Testament by this time next year. By the Grace and Wisdom of God, hard work, and the prayers of God's people, I believe it to be possible.

P.S. My dear miracle wife, Jeannette, is still taking her cancer medication; it has been 25 years. Operations, chemotherapy, radiation, and the resulting lymphedema. What a brave woman. This lady has raised five fine children and all along she has been my co-worker and has spoiled me rotten.
