SERVING IN BRAZIL
SINCE
1985

February 18 - 21 found us with a group of 143 campers and around 170 at the night services. We always have camp during Carnival, the most wicked time here in Brazil. Once again we had the water slide and BIG BALL volley ball as well. The volley ball really helped to wear the kids out, but really increased their appetite! The theme of the camp was "Your life being formed". We presented that God is at work in our lives the moment we get saved till He decides to take us home to glory. The degree of change God works in us depends upon our yielding to Him. Slowly God is forming a group of soldiers here in Brazil for his glory. We used to go to each churches anniversary but the price of gas doesn't allow that any more. This basically is the only time of the years when we can get together and is always a joy when we do so.

March the 16, I was asked to speak to the BIMl Brazilian field conference. It was so good to renew acquaintances with fellow servants I'm met over the years. From there I was invited by Pastor Bryan Johnson to preach a missions conference from the 18th to the 22nd in São Paulo, São Paulo. We had an average attendance of 35 every night and they doubled their missions giving. There was one young girl that was saved as well.

In Formiga we have started a visitation program to reach every house in the city by the end of the year. That means that we will have to knock on at least 14 doors every week. We have started up the Bible Institute with 10 students this term. Only time will tell how many of these will become our future leaders. Thank you for your faithful prayer and support. I praise the Lord for my upswing in health. God is so good! Your fellow servant in Brazil,

Bro. Bob, Naomi and Family
