Dear Friends in Christ,

Greetings in Jesus Name. I trust that each of you are enjoying the blessings of the Lord. He sure has been good to us.

Bonnie and I are volunteers at the Jesus Loves You Clinic. We work mostly with Spanish speaking people. Bonnie screens the new patients and I interpret for her. We have many occasions to witness because it is a rule of the clinic to present the gospel. Several are saved there each month. We also visit the Nursing Home every month which is a blessing also. When we were in Chile last January we saw many of the results of the radio ministry that Brother A.J. Easter and I have going in five different locations. The church in Mulchen has grown and they are in a new building. They have the opportunity now to buy the lot next to them which would be a real blessing to the work. The radio station could be in a separate building. They need seven thousand dollars to purchase the lot. If any of you feel that God would have you have a part in this work please mark your gifts for the radio ministry in Chile.

Over the many years in Chile I have never asked for money to build buildings because I believe in the indigenous Church. However, I feel this would be a good investment for the radio ministry.

Bonnie and I plan to return to Chile in March for the ordination of Hugo Morales. He was the young man that I worked with the last few years that I was in Chile. His father is the pastor of the church in Malloco.

Thanks to each of you who pray and give for us each month. May God bless each of you
