March 2010

As you know, at this time we are not actively involved in the mission in Agua Prieta. It has been completely turned over to a Pastor who is doing a great job for the glory of God, there. The church is now an autonomous self-supporting Independent Baptist Church. We do believe that is always best for the former missionary to leave and not hang around, and that is what we have done. However, we are still in Arizona and are members of the Broken Arrow Baptist church until the Lord opens the doors for us to go to Louisiana, where He is leading us.

For those of you who are interested in the progress on the Spanish Bible translated from the King James Bible, I will and am continuing the translation, and have been able to devote more time to it. If anyone has any questions about this translation or the problems with the "Spanish Bibles" please feel free to write or call me.

We want to thank all of you who have continued to support and help us during this time of transitional in our lives. Words alone cannot convey our appreciation for your help and thoughtfulness. We are very anxious to get to Louisiana and start a work there for God's honor and glory.

Seeing that we are not on the field of Mexico, at this time and are preparing to go to Louisiana, we want to extend our heart-felt appreciation for your support over the years, and for those of you who so graciously gave extra support for the last couple of months, and would therefore, ask you to stop supporting us, and please take on another missionary.

We love you all and thank our Lord Jesus Christ for all our faithful supporters who have stuck by us and supported us for precious souls in Mexico.

Please continue to pray for:

1. Bro. Miguel and Laura and all the brethren in Agua Prieta.
2. Souls and for lives to be changed
3. All our family, our children and grandchildren, my mom and Kay's parents. And for our son John in Iraq.
4. Our house to sale soon.

May God richly bless you all,

Bro. Sheldon

Bro. Sheldon and Sister Kay.

*Thank you all
very much for
your support of
\$50⁰⁰*
