Dear Pastor Schaffer and People of Open Door Baptist Church:

Your friendship with Trinity Baptist College is not taken for granted. We appreciate your financial support and fervent prayers on our behalf.

I am reminded daily how exciting it is to have a part in the training of young men and women for the Lord's work. We count you as our partner in this great task. Through your generous gifts and dedicated prayers, you are impacting hundreds of faithful soldiers who will reach this lost world for Jesus Christ.

This week I spoke to some 40 student leaders during a private luncheon. They submitted a series of written questions to me regarding life and ministry. The quality of their questions revealed a level of spirituality which was quite impressive. It is encouraging to know that God is lifting up Godly young men and women, who will one day minister in our churches.

Because I know you are concerned about our prayer requests, I want to list a few for your consideration.

1. Pray for our students as they travel over the Christmas break.
2. Pray for our second semester enrollment.
3. Pray for our ongoing financial needs.
4. Pray for our administration, faculty, and staff as we seek to provide a Godly example to every student.

In Him,

Charles T. Shoemaker
President
