*(2 Corinthians 12:10) Therefore I take pleasure in infirmities, in reproaches, in necessities, in persecutions, in distresses for Christ's sake: for when I am weak, then am I strong.*

**HEALTH...Becky was in the hospital for five days** with a kidney infection and high blood pressure. We were working in a camp meeting near Schweinfurt. Saturday night after the service, she passed out. We were so far out in the country that the emergency crew took about thirty minutes to reach our location. After getting Becky's blood pressure down, they took her to a hospital in Würzburg. They are treating her with antibiotics and a new prescription for blood pressure. Jim's health is better (getting close to good). Thanks for your prayers!

**TENT MEETING IN HILLE...**Bad weather and family problems could not hinder our Lord from accomplishing miracles! Two nights of the tent meeting, the wind blew so hard that we could not hear the preacher. We divided ourselves into three groups which invested three hours in special prayer each day: 10-11 am, 7-8 pm, and 8-9 pm. The wind stopped blowing during our services and the weather got a little better. Each day was filled with trials "within and without". The greatest miracle (in my opinion) was accomplished in the family of a man who invested every penny he had to get his extended family to the tent meeting. Their group totaled eight caravans (about 35 people). Most did not want to be at a tent where the Gospel was preached. But because of this man using his money and his wisdom, they came. From this group five adults were saved! In all nine adults made a profession of faith.

**VBS in Belgium...**with Bruce and Joanna, Morgen (a young lady from Texas) and all the members of the Calvary Baptist Church in Mons, Belgium we had a great 5 day Vacation Bible School. Our students were multicultural but all could speak English. Jim taught the 5<sup>th</sup> and 6<sup>th</sup> grade. His students received no demerits the whole week! This is the first time in his life that he taught a class that received no demerits. Two of his students claimed to not be saved at the beginning of the week. Both of these made a profession of faith on the fourth day of the VBS!

**Mondi and Bruce -- ORDAINED AND WORKING HARD...**Bruce has taken the Church in Würzburg to new levels of activity and spiritual growth. The Church had a ten day tent meeting in July after the tent meeting in Hille. For the first time in the history of this Church, they now have in their membership two full families saved and serving! Mondy has been working with the Church in Nürnberg. He has been the preacher who stayed at home to take care of everything. He has had a full schedule of preaching and visitation. We sent both of these men to the tent meeting in Hille, Bruce to work with the young people and Mondy to oversee the music program. Mondy was responsible for the music for two services every day. Our two youngest ordained preachers are being used by our Lord. It is wonderful to see!

**PRAYER REQUESTS:** Health to continue to improve.  
Finances to keep our car and caravan repaired for the summer's ministry.
