Dear Pastors and Praying Friends,

June 17, 2018

It is with a combined sense of great sadness and wonderful elation that we pen this last prayer letter for our dear brother Justus Banuel. The Lord according to his divine plan has called him to his everlasting home where he can at last rest from his labors on this sinful earth.

Ministries

Brother Justus was a true pioneer in his field of Southern India; and through his tireless efforts, tremendous faith, and unending love for his people he was able to lead a million souls to Christ in his lifetime. We will only see the vast results of his life's work when we too arrive at our blessed reward.

Churches

We are truly thankful and extremely humbled to have had a small part in his historic missionary endeavors. We are honored and blessed to have known this dear saint of God.

Orphanages

In the weeks and months to come, we understand that efforts are ongoing to keep the ministry moving forward and bring further glory to our Savior in the future. Please keep this ministry in your prayers and may the Lord deliver His richest blessings on you, His faithful servants who have often "given beyond your means" for many years. Our hope is that your memories of Brother Justus here on earth will inspire you to give more of yourselves to Christ who gave His all for us "while we were yet sinners".

May 6, 2018

Dear Pastors and Praying Friends,

Greetings to you in our Lord's sweet name.

We are at a loss for words to describe our thankfulness for the sacrifices you have made to faithfully give to our dear brother Justus and the Lord's ministry. You have given beyond your means in many cases, and for that, we pray the Lord will bless the gifts and the giver in the years to come.

We have decided for the time being, to ask, that you suspend your sending of funds to Calvary Baptist Foundation. We are making this request based on his current ongoing health issues and his unresponsive condition. At the present time, there is no certain way for us to get the funds to India and know it is getting to the correct areas. We are in daily prayer for Brother Justus and his ministry, and hope that by our Lord's divine mercy and grace He will lift him back up to serve many more years.

Again, we would like you to know how much we appreciate your love for the Lord and brother Justus. Keep him in your prayers and may the Lord bless each of you as you labor for Him.

Sincerely,

Travis Brice

January, 2018. This letter is being written by long-time supporters of our Brother Justus Banuel. Each of us has a deep heart of love for him and the Calvary Baptist Foundation. We received a report that Brother Justus experienced a heart attack and is in great need of our prayers and continued support. He is being closely watched over by his family but is unable to communicate with us at this time, which is the reason for this report. His son-in-law, Andrew, a Cardiologist, is keeping us informed. The work of the Calvary Baptist Foundation continues through His servants there in India. The many Indian Pastors continue the great work God has called them to and we keep on receiving reports of souls coming to Christ through the 575 + churches that Bro. Justus and his staff have established; staff at the two schools are doing a wonderful job serving over 3100 children; the College Bro. Justus established last year is progressing well and accomplishing great work; the orphanages are saving lives and souls. Also, a container with copies of the Gospel of John and Romans was received in India on December 24th, 2017 and they will be handed out to people during the many festivals at this time of year. The ministry continues to accomplish many other wonderful things each day which will have eternal consequences. Our burden is that each of your ministries and individual gifts will continue to be strong during this most difficult time for Bro. Justus and the Calvary Baptist Foundation. Our hope is that our precious Lord will heal our brother and that he will be able to continue to lead as he has for the past 35 years. Please continue to pray for Bro. Justus, his family and the ministry. And continue to strongly support him and this great work in India. We all love him and know that God has used him in an incredible way! Let's continue to uphold his arms as he faces this most difficult time, but please hold off on trying to contact him personally until we get a report that he is able to speak with you. God bless each one of you. Bro. Larry Spencer, on behalf of Calvary Baptist Foundation
