Dear Faithful Family and Friends:

What a time, what a time, what a time! Since my last prayer letter so much has happened that it won't all fit in one letter! So I will write more of what is on my heart than all that has happened. The last of April I had a bad fall which required 911 being called and a fast trip to the emergency room. Many bruises but no broken bones. Because of this fall, my children do not want me to be alone. My Oldest daughter, Debbie, came to Illinois from Tennessee and found us a different place to live. But because I have wonderful children and grand children my grandson and his wife want me to move to Georgia and live with them. So, next month I will be moving to Georgia. Please note my NEW ADDRESS. **12 WESTCROSS RD. SAVANNAH, GA.31411.**

NOW WHAT IS TRULY ON MY HEART! WINNING SOULS AND THAT INCLUDES THE DEAF MINISTRY¹. Two weeks ago I was unable to attend church. While at home I received a phone Call from a lady that for five years was my helper at home. Three years ago I was able to lead her to The Lord. She and her husband heard that I was moving and came by to visit. I was able to pray With them before they left. When she called that morning, she said Fred wanted to come over to talk With me. When they arrived I was surprised to see it was not her husband but her 81 year old father In law. Her father in law was facing cancer surgery in two weeks. Anyway after many scriptures And talking, he could not see himself lost. He was quite wealthy, owned his own business and was in Politics. In other words he felt safe. I gave him three tracts and gave one of my older Bibles to my Friend. Please remember Fred in your prayers. I pray that my next letter will say he accepted Jesus As his Savior. A person must see themselves lost in order to need salvation.

God bless you, dear Ones. You are in my heart and in my prayers!

Still looking UP,

Phyllis

Dear Faithful Family and Friends:

Since I am not able to get up and go as in years past my prayer letters will have to consist of (I HOPE) encouragement and the working of the Lord in my life. There is one word that should never be in a servant of God and that word is QUIT. BY THAT I MEAN STOP SERVING THE LORD. In my prayer journal I have written at the top of each page, PLEASE USE ME LORD and PLEASE DON'T PUT ME ON A SHELF and PLEASE USE ME TO TELL OTHERS THE WONDERFUL STORY OF JESUS.

The year of 1963 I trusted Jesus as my personal Savior. I was saved November 7th and my husband Ed trusted Christ as his Savior the next day in our kitchen.

The next four years we worked in our local church. Junior church, nursing home ministry, rescue mission or where ever needed. In 1968 Ed announced God had called him to preach. In 1968 we packed up our belongings and with five children we headed from Illinois to Michigan to attend Bible college!

After four years of Bible college, two weeks before graduation {I received a PHT degree, Putting Hubble Through} we were called to a small church in Madison Heights Michigan. The first service we had 15 people in attendance {7 our family}. God truly blessed in that church. My last letter I told of Brenda a deaf girl and how through Brenda God called me into the Deaf ministry. God not only called us into the Deaf ministry but the next two years we grew from 15 to over 200. One Sunday we had a high of 52 Deaf people in our service.

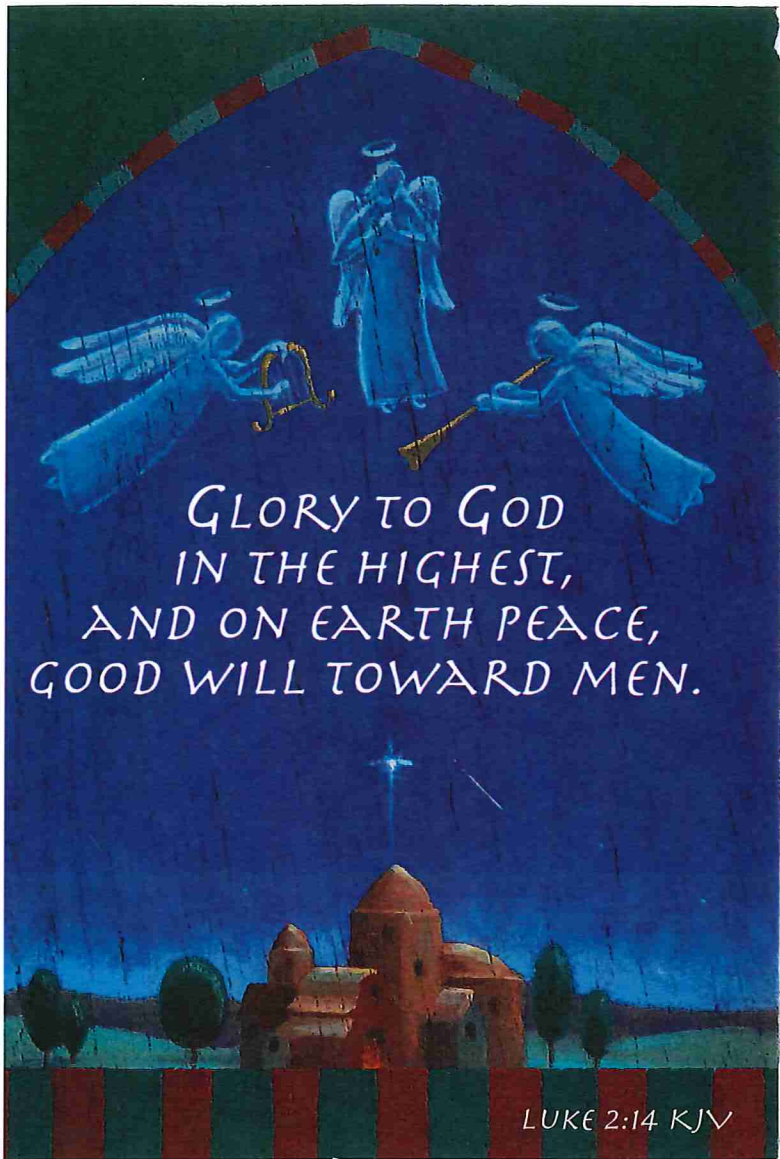

My prayer letters {I pray} will be encouraging you dear friends and family to keep on serving and telling people about our wonderful Savior.

There is a young man in my church God has laid on my heart. He is an Airborne Ranger. I would put his name but if he was to read my letter I would not want to embarrass him. Just pray for a young man in Phyllis' church.

The Lord has been so good to me. I still get out and go when my grandchildren drive me. I still can pass out tracts, love people and show them how they can KNOW if they died today they can go to Heaven! God bless you dear Ones.

Still looking UP,

Phyllis
