Documents

Sometimes things happen that we can't understand, but God always has a purpose. We were visiting Pastor Gil Torres' church in California. When we saw the parking lot's security, my precious Teté decided to leave her purse under the back seat of the car. Bad choice! In spite of the security of the place and the surveillance cameras, some thieves broke the car's window and took her purse. They were probably surprised when they saw that there was no money in it, but for us it turned out to be a greater cause to be upset because Teté had ALL of her documents there: her passport, visa, Spanish residence, driver's license, etc. It has been a long, expensive and hard process to recover her documents, but praise the Lord, we now have her new passport and visa, so, Lord willing, we'll be able to head back to Spain soon. Moral of the story: Never leave your purse in the car!

Dear Brethren:

Active in the ministry While we were waiting to recover Teté's documents to be able to go back to Spain, we have been able to be very active visiting churches, presenting our ministry and reaching souls for Christ. We have visited a total of 15 churches and each one of them has been a huge blessing to us. There is no doubt that the Lord is working in Mexico and in the Hispanic world.

Teté had the opportunity to participate in two conferences for women, in one of them as a speaker and in the other one as a translator. Her visa will arrive soon and we will be able to head back to Spain. The reports that we have received from our co-worker, Andy, are very encouraging: the church keeps growing and the services are exciting and full of life.

Aierdi Two work teams from the United States will be going to Aierdi this month. On this occasion, they will be working on the lighting system in three different rooms at the farmhouse, installing electric connections, a screen for the projector and doing different jobs in the bathrooms, among other things. One of the teams is going to prepare an area where we are planning to build new outside bathrooms and will also pour concrete in one of the parking lots we have at the farmhouse.

At the end of the month of June the 45th Intensive Institute of the Bible was carried out. The subject was The Seven Churches of Revelations, and from what we heard, it was a huge blessing.

Lord willing from the 28th of August to the 1st of September we will have our 6th retreat for pastors and workers in Aierdi. Our pastor, Dr. Luis Ramos, will be with us and we are sure that it will be a great blessing. Several families from different parts of Spain have already signed up to enjoy a few days of good spiritual nourishment and encouragement to continue in their ministries.

Thank you, dear brethren, for your faithful prayers and support! May God bless you!

Because He is worthy,
Juan, Teté and Andrea Alvarez
