## World Ministries

Dr. Bobby Brindle  
Summer 2018

Dear Pastors and Friends,

In the winter we were looking for Spring arrive so it would help us to get well from the flu bug. Now that summer has come a lot of people has been having trouble with the stomach virus. I've had the stomach virus since I returned home from our LPA conference in Orlando, Florida in July.. It hindered me from going to the Rock of Ages conference and from Bro Sammy Allen's meeting at the Faith Baptist Camp. I know why satan has attacked me - because of the 20 souls that I saw received Christ. There would have been more saved if I could have spoke in Spanish. I've talked with my printer, Bill Goins about printing some Spanish tracts to use and will also help me with reaching the Spanish people at our Little People's meeting and conference and reaching the Spanish people here around home. I cannot go knock on doors as I did when I got saved 45 years ago.

In my hometown here in Chatsworth,GA where I do most of my shopping at the grocery store, I'll ask a young person to help me if Cathy is not with me. I'll give them a tip & usually blessed to lead them to the Lord. Recently in Lowes a young lady was close come to pick up call in orders, I stopped & gave her a tract. She said, "I've heard of you, you are popular around here. I wondered why I was popular (her words) around here and thought, I have lead a lot of souls to Christ when there, all glory to God. One of my favorite places I love going is where my good friend has a business in Dalton,Ga. with fifty or more employees. They always look forward to me coming and ask me to pray fir then about so many different things. I've lead several of them to Christ and thinking I have become their Chaplain..

Please pray I'll get over this stomach virus so I can get lots of things done here at home before I get back busy preaching this Fall. One thing I need to do is make 4 sets of extensions for little people here in my area. One is far a lady 42 years of age and has not been able to drive because she could not reach the pedals on a vehicle. I can imagine how proud she will be to get her extensions for driving. I remember well, I was 17 years old when I got mine. I'm grateful for all the little people I have been able to make for them. Most of all, for all the LPA'ers God has allowed me to lead to Christ and all others as well.

It is because of God and you,our supporters that has made it possible for me to go all these years and minister to the lost & dying world all around us. Thank You, Thank You, Thank You! God will not only reward you here in this life but also through out eternity.

Pray that I will and can continue to reach souls; for Cathy & my health, for safety as we travel and many other needs that God knows. We love & appreciate you everyone for being our partners for Christ.

Because of Calvary, *Bro Bobby & Cathy Brindle*
