

Special CEF of Baton Rouge Newsletter 2018

This is where my dad taught me how to work as a young boy, hoeing cotton.

Terry County, Texas

Dear Friends of the Lost Children:

Enduring fruit, Bro. Sonny McGuffee preached on my Video Bus in the 80's. Now he is in Africa starting SMITE camps. Bro. Doug and Amy Burton attended SMITE years ago, now are missionaries in New Guinea.

As you can see from the pictures we stay busy preaching on the Video Trailer, preaching at the detention center when needed, conducting teacher training sessions, and rebuilding a camper for living quarters for Matthew.

The results of the spring fair season: **We conducted (so far) 5 fairs with 1812 folks seeing the show and hearing the Gospel, with 277 saying they got saved.** We have one more fair to take the trailer to Angola Prison sponsored by AWANA ministries. They gather the children of the inmates (most are lifers) and let the children spend the day with their dads at a carnival put together on the prison grounds. God has privileged me to have the Video Trailer in this ministry the last 4 years. This is a life changing experience. I get to see some of the children of lifers get saved, and sometimes even their dad get saved. The program is called "Returning Hearts" and it is an incredible work of God among some of the worst criminals in the USA.

Answered Prayer: Blitz Team Complete, D Team Complete, Camper and car for Mathew.

Pray for our 40th SMITE :May 27-June 1. Blitz Team: Baton Rouge, New Orleans, Monroe, Little Rock Ms

Delta Team : Greenville, Ms July 2-6.

Thank you for praying and giving:

Notice the coats at the Railroad Festival in April. The fair season was cold and wet. Notice my green and gold banner I used on St. Patrick's Day.

Amy Burton conducts a 5-Day Club in Bougainville, New Guinea .

The camper we got for Matt had to be rebuilt. We both worked at it and it came out looking a whole lot better. So Matt passed trailer re-build 101.

5 Day Clubs in Gahna conducted after SMITE. They are still going on.

Matt and I had the privilege of doing a teacher training class at a all black Baptist Church in Lutcher, La. Matt is going back to this church to conduct 5-Day Clubs in the area.

Vicki and I got to visit my Brother Jack and his wife Prissy in Brownfield Texas , my home town. We have an absolute blast each time we get to see each other. While I was there we got to visit Bro . Tommy Ashcraft and his dear wife Brenda while she was hospitalized in Lubbock, Texas. She passed shortly thereafter.

2017 CEF Report Card

Dear Friends of the Children:

The theme for SMITE 2018 is "It's the Homestretch". The emanate return of the Lord Jesus. This being our 43rd year in this wonderful work makes us on the Homestretch of our ministry. Thank you so very much for your sacrificial support of this ministry. I just talked to a preacher on the phone who I hadn't heard from in 35 years. He said he has been praying for me all those years. No wonder we still have the enabling Grace of God on our lives to continue on with folks like that to faithfully pray for us all those years.

Here are some special prayer requests:

1. Matthew Fuller has come back to help me in the ministry. Pray that God would supply all his needs. At the present he has some health issues that he needs immediate help with. He is also in need of a car, and a place to stay, preferably a camper.
2. Pray for God to give me 8 young men for the new Delta Team that will be working in the Delta communities of LA and MA.
3. Pray for 20 young people for the June Blitz Team.
4. Pray God would give us health for 2018.
5. Pray God would give me someone to produce a new upgraded Dinosaurs and the Flood movie.
6. Pray for Felice Overton as she has serious health issues.
7. Pray God would give me 5 fairs this spring.
