SERVING IN BRAZIL  
SINCE  
1985

Dear Pastor and Praying Friends,

We trust that this finds you living the reality of Psalm 23:6 "Surely goodness and mercy shall follow me all the days of my life (our present physical life here on earth): and I will dwell in the house of the Lord for ever (our eternal life in heaven)." It doesn't get any better than that!

One of the greatest joys to a missionary we find written in 3 John verse 4; "I have no greater joy than to hear that my children walk in truth." Soon after we began our church in Formiga, a teen-aged brother and sister got saved. Not long after, a man came up to me and asked me if these young people came to my church. He proceeded to tell me that they were his children and fought like dogs and cats all the time at home. I called them together in the presence of another man at church and explained to them that this was not God's plan for those who were saved. How would they reach their lost Father for Christ if they never permitted Christ to change their lives? The young man accepted the admonition but the young lady got mad and left the church. I came to the States for a furlough and Bob, Jr. took my place. Bob soon called me and said that Lidiane had repented and came back to church. Her decision to return, enabled her to later marry one of our dedicated young men. Today, her parents, his parents, and two of their three children have been saved. Two other young people who had fallen out of church way back then, have gotten right with God, and now their mates, and children have been saved and are faithfully following the Lord!

As Naomi and I travel to visit our supporting churches, we are so blessed to see those of you who have remained faithful to our Lord here at home!

We thank you for praying and ask for your continued prayers for Anna who is doing very well at Crown College.

The presidential elections took place in Brazil yesterday, October 7th. Abundant fraud at the electronic voting polls kept the one good candidate from winning by a landslide. A runoff will take place now on the 28th of October. We covet your most earnest prayers. The Satanists do not want Bolsonaro to get elected. The truth is, that if he doesn't get elected, Brazil will soon be destroyed with communism.
