

Super Special 2018 Summer Report Card from CEF of BR

SMITE "40" was incredible, you should have been there. Below is the first D Team, it was great!

Dear friends of the children:

What a summer! It all started with our 40th year to hold our Summer Missionary Institute. We had a wonderful group of 235 workers and students. But that was just the beginning. My brother Jack and his dear wife showed up in their motor home (total shock). Cecil Ballard one of the original students, Tim LeJeune our first summer missionary and his son Richard, with many other alumni showed up for our 40th.

Bro. Mike Ray, Bro. Dan Carr and Bro. Bartlett did a wonderful job preaching with power and conviction. There is something about SMITE, the preaching, the singing, the clubs, make it unforgettable.

And to top it all off they gave Vicki and I tickets to an Alaskan Cruise. I do not have the words to describe our gratefulness to all that gave to make this possible. We made unforgettable memories. It was a crown for the wonderful person that God gave me, my wife.

Summer Results: Smite 235 campers and workers, 5-Day Clubs: Smite, Blitz Team, D-Team 5106 enrolled, 232 clubs, 1035 saved! The Texas Blitz Teams: 1364 enrolled, 72 clubs, 202 saved! Grand totals 304 clubs with 6470 enrolled, 1237 saved Praise God.

Thank you for praying and giving:
