

KING'S KATCHUP

To "catch you up" on the Gospel work of Jim and Pat King

Dear Friends and Fellow Believers,

All of the different phases of our ministry are going on normally at this time and we praise God for the blessing of being in His work. Thank you too, for your prayers and offerings that enable us to serve the Lord full time.

Reaching the men in the Polk County, Florida, jail.

The men in the Faith Based dorm continue to be such a blessing and encouragement. As soon as a new guy comes in, the others "get on to him" about being saved. Although some fake it, many are giving evidence that they have trusted the Lord. A good number have come forward to make their profession of faith in front of the others.

Because we minister to people who are so different, we have to prepare messages on different levels. This can be a bit of a challenge as the new converts and the more advanced believers are all together in the same group. The street people we work with at a mission seem to be the hardest folk to work with. They "have heard it all before", but even a few of them have their Bibles and appear to be making some progress.

Reaching the women in the Polk County, Florida jail.

Pat continues to minister to the women in another jail from where Jim works. She is not allowed to give the Inmates literature. One thing she does is to use enlargements of Chick tracts and tell the story of salvation that way. She can take an instrument into their dorm and the women love to sing, especially those who have been saved.

Two Prayer Requests.

01. Jim's diabetes and high blood pressure have been hard to control. He is to have some hearts exams soon; pray for a good outcome for these.

02. We need to travel and do some deputation work next summer. It has been quite a while since we have reported to our supporting churches. Pray for the Lord to help us work out the details for the trip.

LITERATURE MINISTRY

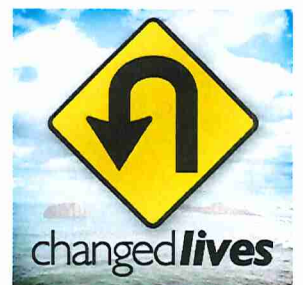

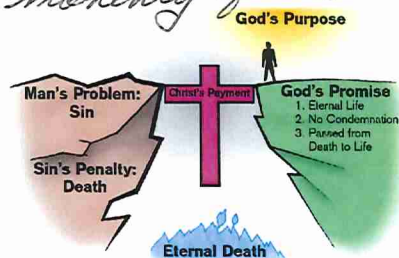

Bibles and good Christian Literature in English and Portuguese for Inmates and Brazilians.

The literature ministry goes on through our monthly paper for preachers in Portuguese, and our messages and studies on our Internet site. As we have time, we want to put up more PowerPoint Bible studies for our Brazilian brothers in Christ. A big THANK YOU to those of you who support the literature work. This pays for the translation work that is done as well as other expenses. We use many good articles in English

that we have translated into Portuguese. Last year we were able to provide the Brazilian pastor who works with our literature work a new laptop. He has worked many years without pay, just doing it for the Lord.

Thank you again for your important part in this ministry. Sincerely in "CHRIST",
The Kings *Jim & Pat*

Appreciate your faithful support monthly of \$60.00.
