## PRAYER/NEWSLETTER JANUARY/FEBRUARY/MARCH 2019

Dear Co-Laborers in Christ Jesus,

Greetings in the name of our Lord and Savior Jesus Christ. We began the New Year of 2019 with good news in regards to my prostate cancer. Exams were good and show it has been in remission the past 12 months. It isn't cured but is under control with minimal medications. This battle began in March 2016 and it has been a difficult but rewarding experience.

We have been able to witness to many other cancer patients and have weekly evangelical services in the cancer hospital in Barretos (Hospital de Amor). Several are also attending weekly services in our church (Central Baptist) and some have made professions of faith in Christ. All of those folks are from other states and hopefully upon completing treatments will seek out Baptist churches in their areas where they can faithfully serve the Lord.

Our church services have been well attended and our Sunday School has increased in numbers. Our Faith Promise Mission conference resulted in an increase of monthly offerings that has allowed us to add new missionaries and increase the current offerings for all of our seventeen missionaries. The majority of our missionaries labor in Brazil but we also have four missionary families laboring in Portugal, Temor, Chili, and Venezuela.

Evangelical services are also being scheduled in homes. This outreach ministry has been well received and supported. The goal is to open other congregations in other neighborhoods that in the future can be organized into local independent Baptist churches. In one of these services more than 100 attended and several were witnessed to personally and promised to visit our church.

Thank you all for your prayer and monthly financial support. We also thank those of you who sent Christmas offerings. They are greatly appreciated. May our Lord richly bless you all.

In Christ Jesus,
