Dear Friends in Christ,

As I was praying for Asia this morning at about 2:30 A.M. , I thought about the tragedy that just happened in Sri Lanka. When I opened up my computer, there was a scene from a sea side in Sri Lanka. And of course, another suicide bomber had killed over three hundred and wounded hundreds more and was himself in the fast lane to hell.

I had, just the other day, read the story about Abraham, Sara, Hagar and Ishmael, and recall the words of the angle, "And he will be a wild man; his hand will be against every man, and every man's hand against him; and he shall dwell in the presence of all his brethren, Genesis 16:12.

Then in India, the most needy countries in the world as far as the gospel is concerned, has Christians being killed, churches being destroyed as we write this letter. The need is so tremendous we dare not be slack in praying for the world and the gospel as Jesus commanded His disciples, Matt. 9:37-38.

The largest mission agency in the world, as far as I know, is Gospel for Asia, headed up by the India evangelist K.P. Yohanan. The last report I saw there were over sixteen thousand national missionaries working in India and other Asian countries. He started out as a street preacher in India as a teenager. Bro. Lester Roloff was a impressed by K.P. Yohanan that he gave him his mailing list. Something he had never done before.

But, the need is so great worldwide. There's no way they can be reached without God raising up laborers in these gospel-starved countries. Commit to pray today. Yes, I know. Praying faithfully, regularly, is work and takes serious commitment. Eternity with those saved because you prayed, will be you everlasting reward.

Yours for souls,

Bro. Daylon Hicks
