

KING'S KATCHUP

To "catch you up" on the Gospel work of Jim and Pat King

Dear Ones in the Lord,

This month's letter is more on the personal side. The Lord allowed us to take a few days off and attend a reunion of Navy men who worked on minesweepers in the fifties and sixties and their wives.

Getting to know some other ex-minesweeper men and their wives for two days.

It was great to have a short break and meet some new friends. We had the opportunity to give a testimony and tell of our lives since we were shipmates so many years ago. We did not meet anyone who was on the USS Vigor, MSO473, as Jim was, but did have fun talking about the things we experienced during those days of service.

It was on August 21st, 1960, that Jim was saved in Panama City, FL, while stationed on the Vigor.

This picture was taken before the whole group was there.

Jim and Pat King
If you feel the Lord would have you give a special gift for book publishing, please send your check to the mission designated for the literature work in Brazil.

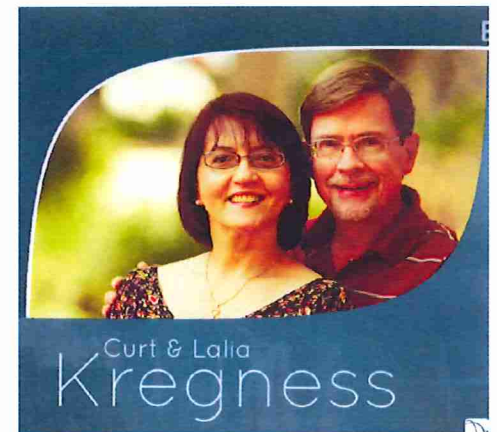

Pat and Jim with William and Ellen, a couple we befriended and are trying to reach for the Lord.

In testimony, we mentioned that we just passed our 58th anniversary and they all applauded. I guess not that many stay together that long these days.

We made friends with the couple above and have sent them Bibles and literature and trust they will come to know the Lord. Jim had to spend some time in the hospital because of his diabetes and this William stayed there with us. Pray for them.

We would also appreciate your prayers for Lalia, our

Lalia, our translator, and her husband Curt.

translator. She translates articles from English to Portuguese for our paper for preachers in Brazil. She has been working in pain for a long time. The doctors are trying a new treatment which we pray will give her relief.

Once again, thank you for your prayers and financial support that allows us to serve the Lord all time.

Sincerely in CHRIST

The Kings *Jim & Pat*
