SERVING IN BRAZIL
SINCE
1985

On May 18, 2019 we had a Mother's Day event with around 25 church ladies and unsaved townspeople for whom we had been praying for a long time. They listened intently as God's wondrous salvation plan was clearly given. Many asked for a personal visit where they can have their questions answered. This was Kate's first time to be able to put together a church event and she did a great job!

On June 11, 2019, I was able to start a Bible Study with Hallison. We began with "Won by One" the first lesson being the authority of the Word of God. At this stage I am not sure that he is saved but through the study I am confident his salvation will be verified. He finally came to understand that John 3:16 means; the book, chapter, then verse. He is beginning to learn the books of the New Testament. What a privilege to impart to him so many things we take for granted. Pray for him as the devil is trying to get him to move from Carmo do Rio Claro to another city.

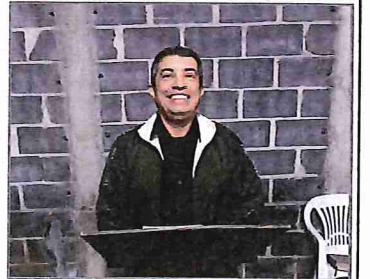

The day after I started a Bible Study with Hallison, June 12, 2019, Thiago called and said that Heather was having complications and would perhaps need an emergence C-Section. So I ran Naomi to Formiga and that evening our fifteenth grandchild arrived. Cherie Nichols de Oliveira. We were able to help them as they adjusted to their family needs. How we thank God for each of our grandchildren and desire to be a blessing to each of them as we can.

We send our sincere thanks to you who are helping our Anna, prayerfully and financially, for her service abroad.

In Formiga, we were privileged to participate in an outreach service the church has started across from the farm we rented when we first started the work in Formiga. They meet every Thursday night, with 40 or more in attendance. Brother Valdir leads the service. He is fruit from a tract given to him at a fruit and vegetable stand by the first church building we rented. Naomi had the privilege of leading two ladies to the Lord early this month. May God bless each of you. Thank you for your prayers and support,

Dr. Bob, Naomi and Family
