We have had the privilege of leading several to the Lord in these last two months. Not all have been able to begin Bible studies yet. Pray that they soon will begin. Naomi is studying with Isabella who has gotten some real victories. Alessandra has been a joy to teach as she comes weekly with her lessons ready and is allowing God to transform her life. She and the man she is living with were saved earlier this year. Dao, has not begun a personal Bible study yet but we pray that he will soon begin. They are looking to soon be married.

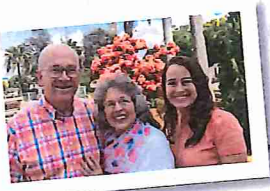

Juliana came to study the Bible and realized that though she had been religious, she had never been truly saved. She gave her heart to the Lord the first day of her study. She studies diligently, and has a tremendous burden for souls. Her husband, Eder, is not saved yet. He called us over to their house to try to show how his religion had much more to offer than the gospel. After the gospel was given, he humbly admitted that he was wrong! He has not been saved yet, but tells all his friends, that what they need is Jesus. Pray that soon, he too will understand and give his heart to Christ.

Little did I realize that when I started the São Sebastião Park Baptist Church in Ribeirão Preto, São Paulo in 1987 that they would be starting a new congregation in another subdivision 32 years later. On August 24, 2019 they had their first service. My oldest son, Bob, Jr. was able to be there with some teens from his church to sing a special. That is a missionary's dream and desire to see God work then duplicate that work again. As John said in 3 John verse 4 "I have no greater joy than to hear that my children walk in truth." To God be the Glory! Hallelujah!

May God bless each of you. Thank you for your prayers and support for us and for Anna. God has spoken to her heart and used her to spread the gospel in the open air at the parks, her Bible classes, and her English classes. She has been able to give the gospel to Muslims. They are very open, but have not yet been saved.
