Martinique

The White Family

Fall 2019

Adie and I want to give you a quick update. After a trip to the visa office in San Francisco, a couple weeks of waiting, and A LOT of prayers we've finally heard back from the French Embassy. They've granted our family the visas needed to move to Martinique this October! We have purchased our tickets and our departure date is set for October 19th!

We want to say thank you so much for all the prayers! They made a difference and we are truly grateful!

If you would, please continue to pray with us as we enter the next phase of our transition. We have a lot to accomplish in a very little bit of time. We need to pack a container out of Macon, GA the second week of October, then fly down to Martinique where we'll start right away finding suitable lodging and a reliable vehicle. We also need special prayer for a certificate that would allow us tax-free status on all our belongings. Potentially, this could save

thousands of dollars. The next month will be filled with much planning, organizing, purchasing of supplies, and saying goodbye to family and friends. We are prepared for it to be an emotional and uncertain time but we

are looking forward to what God has for us in Martinique!

Again, thank you for your prayers, faithfulness, and support. We are very grateful for you all!
