Dear Friends in Christ,

Greetings in Jesus ' name, the name that's above all other names! And as Peter said in Acts 4:12. "Neither is there salvation in any other; for there is none other name under heaven given among men wherby we must be saved.

Recent reports say the fastest growing Christian community in the world is in Iran. As you know, we have been encouraging people to pray for these closed countries: that God would raise up laborers to get the gospel to them. This is evidence that God can find fertile ground in a closed country and save those who believe. It's my understanding this is a women's group. Women can preach to women, and in a country where women are second-rate citizens, they can still find freedom in Jesus Christ.

Jesus' admonition to "Pray for laborers" is more urgent now than ever before. I have said many times, a churches "world" is usually the missionary families they support. This is not an "American" thing. This is a world-wide need and God is well able to raise up laborers in these closed countries. We just need to pray as He said, Matthew 9:37-38.

Our responsibility is the world, but don't neglect those around you. Our country is very needy itself and the U.S.A. is our responsibility too; our "Jerusalem."

Yours for souls,
