It's time:

5 AM,, get the kids up, hit the head, they clean the room basic training style, perfect everything, beds made without wrinkle, close are in the drawers, hang up clothes are facing the same direction, toys are picked up, laundry has been brought out and started.

They feed and water the chickens, they feed the fish they feed Nemo the dog

We taught the kids how to make breakfast and they do.

20 minutes:

It takes 20 minutes to drive them to school. In that 20 minute drive we teach and review Bible material. It's interesting a LOT can be accomplished in 20 minutes. Bro. Lester Roloff said if you would memorize the 1:12's of the Bible that it would change your life. We did, and it is changing our lives. Heb. 11 1-6, Ps 1, Ps 23, about 14 essential verses for Christian growth, we are working on a series called "Walk Through the Bible". Practice telling dramatized Bible stories, the ukulele, read music, English. These are all 20 minute blocks of study we work on. If I had a piano I'm sure they could accomplish that.

Before getting out of the car at school we pray and I emphasize that today they have an opportunity to prepare for their lives to come. Do not waste the opportunity God is giving you.

What they do when they come home from school is as regimented. It is simple, these are the things you have to do, do them in order, do them well.

Blessings:

This is what Maureen and I do every day. Add to this two churches, soon to add another, the big "garden"

The plusses that make it all worth it are as simple as a clean room or the dishes being washed, good grades, Church members being faithful to come, which gives us the hope that they are growing spiritually and a hundred things more that if put on paper would seem silly.

It's a blessing to see growth.

Possibility:

There is a possibility that at least I will be in the State Jan – March to try and raise additional support, Churches close, supporters go to be with the Lord and pastors change.

Thank you:

Thank you for your interest in what the Lord is doing here Thank you for your prayers Thank you ffor your financial help.
