We rejoice in the privilege that is ours to serve the King of Kings and Lord of Lords here in Brazil! What a powerful God we serve! Dao, has now begun a personal Bible study after having had some real struggles with alcohol. He has gone back to live with his mother until he and Alessandra should be married. They come to the services as friends now, and they both come to their individual discipleship studies.

Have you ever had someone ask you if they could come over to your house so you could explain to them the way of Salvation? Thank you for praying, we ask you to rejoice with us in the sweet answers to your prayers! Eder, Juliana's husband, gave his heart to the Lord after he asked me to please help him understand how to get the Salvation that 'transforms lives'! We are now, studying the Bible weekly with the couple. Juliana's married daughter, Raquel, was saved in October! A female pharmacist, Fernanda, also gave her heart to the Lord. We are busy encouraging the downhearted, giving the gospel, and discipling the new converts.

Our son-in-law Thiago, our son Nathan, and two others took another Dental missionary trip to the north of Bahia. Eleven people gave their hearts to Christ, and 78 people had their teeth worked on. We praise the Lord for this ministry.

We are asking to God bless each of you for your prayers and support for Anna. The first time Anna gave her testimony in the park in England, a man from Brazil heard her. Though yet not saved, he never misses a Sunday night service nor an English class. She was able to give the gospel to ten people, one on one in the evangelistic travels in Portugal and Spain. She has made the Bible come alive to the children in England in such an exciting way, they speak of kidnapping her instead of letting her return to America. Two children were baptized last Sunday. The Muslim mother and children, though still unsaved, do not miss a service.

Words cannot express our appreciation for your faithful support both prayerfully and financially. Only eternity will reveal the full extent of all that's been done. May God bless you richly,

Bro. Bob, Naomi and Family
