CHURCH PLANTING AMERICA

P.O. Box 37887
Jacksonville, FL 32236

Prayer Letter – October 2019

October was an exceptionally busy month! It began with a Marriage Conference for my good friend, Pastor Mike Grover in the Tampa area. Following, I was blessed to be able to preach the Missions Conference at my home church, where my son-in-law, Mike Ramondetta, serves as the pastor. Immediately after that meeting I left for a five-church trip to South Carolina, Maryland, Pennsylvania, New Jersey, and Delaware.

Five of the four pastors are young men, pastoring for the first time. God blessed in every church and in every service!

NATIONAL CHURCH PLANTING MONTH – FINANCIAL APPEAL

As mentioned above, when I preached in South Carolina it was to visit one of our church planters, Pastor Jamie Weatherford. Just over six years ago Bro. Jamie planted Midway Baptist Church. In that time, they purchased some eight acres and built a very nice building. We helped them purchase their property and fund their building project. The church is debt-free! **This is an example of how your gifts are utilized through our NCPM campaign! If you have not yet given, please do so.** If you have, thank you for enabling us to assist godly, young church planters like Pastor Weatherford and his good people!

In Him,
Charles T. Shoemaker
President

Monthly Gift Received:
\$90.00
