### MERRY CHRISTMAS!

We want to wish everyone a Merry Christmas and Happy New Year. Christmas came a little early for us this year. Our daughter Angela had her third child: Levi Daniel on November 24. We were very thankful on Thanksgiving for our 7<sup>th</sup> grandchild. Our daughter Rachel is expecting her second child soon also. So we are praising God for his abundant blessings.

### MALAWI

I have reported many times about the good work going on in Malawi. How God has blessed us with the Hutchens family and with nurse Kiki Cunningham. Kiki is running the clinics and expanding the ministry. She has been making it her own ministry and has been working with the women's groups in some of our churches. She will be taking over the Sunday School training conferences also.

Dr. Joshua Hutches opened the Bible school for young men training for the ministry in October with 42 students. We are very excited about this new ministry being started. Dr. Joshua is also continuing the Pastors' Modular schools that we have been running for years. He is very involved with all the aspects of the ministry there in Malawi. He is overseeing the entire ministry starting in 2020. Having worked with Joshua in Moldova for several years, we have great confidence in his leadership, burden, abilities, and believe that he will do an excellent job serving the Lord there in Malawi. This year has brought new churches to Malawi in our group with almost 200 now in total. The Lord is working in the hearts and minds of men!

### MOLDOVA

As most of you know, we turned the Moldovan ministries over to our Moldovan team two years ago. The Camps are running well and this has been a good school year with 16 new students in September. Both Mihai Sinogaci and Victor Chiper are doing an excellent job running the ministry there. Stephanie and I are still involved with the camp ministry. I am on the board and have regular Skype meetings with them. Funding is still coming in that we are passing on to them. We could not have two better partners than Victor and Mihai. Praise the Lord for what He is doing there in Moldova. Please continue to pray for the Bible Institute, the camp, and for the many graduates who are out doing the work of the Lord because of their training at the Institute.

### CENTRAL ASIA

Pray for Stephanie and I as we prepare to take a trip to Kyrgyzstan in February to work with the graduates of the Christian University in Moldova. We have many young men from there who are pastoring now and many more who want to do ministry but need direction and help.
