January 2020

Dear Co-Laborers and Prayer Partners,

As we start 2020, I pray that each and every one of you will have a very blessed year. I am so very thankful for your support and pray that you will be blessed in this New Year.

I want to thank those that helped buy toys for the children in Mexico during the month of December. We were able to supply toys for several churches and the pastors were all very thankful for your help.

In January, I went to Matamoros, Mexico and worked with Pastor Ricardo Viginas for two weeks. During my time there we had services in several churches and I showed a gospel film in God Will Provide church. It was really blessing my time spent in Mexico.
