As we write this issue of King's Katchup we are "hunkered down" in our little house because of the covid-19 flu. Jim became 80

We continue to be blessed with the privilege of teaching the inmates. Here is a true story told by one of our leaders in the Jail work:

"A couple years ago, one of our inmates accepted Jesus Christ as his personal Savior during an evening class. The inmate wrote a letter home to his family and shared his new life in Jesus. Sadly, shortly after release, the inmate died in an automobile accident before reaching home to his family. The inmate's sister called me to talk about the letter the family received. I wanted to share this news with the jail volunteer that God used so greatly in this inmate's life and was able to locate volunteer Robbie Peace. Robbie remembered that inmate very well. This is what he told me about the evening the inmate accepted Christ: The inmate was the only one in Robbie's class. The only one. Remember this, it does not matter how

many inmates come to your class. Inmates may fill every seat, or maybe God may place just ONE in your class. Praise God."

What an encouragement! It is not how good we preach or how many show up for class; it is the power of the Word of God that transforms lives! **A big THANK YOU to those of you who helped us buy Bibles!**

Sincerely in Christ,
