

Dear Pastor, Church, Family and praying friends,

“And fear not...” Matt. 10:28

How these words challenge me. On five occasions in the Gospels, Jesus says *“Fear not.”* In Revelation 1:17 we read again, *“Fear not;”* yet here with the greatest reason of all for, *“I am the First and the Last:”* Our Lord knew we would battle with fear... Yet we can stand on the assurance that He not only *knows* the beginning from the end, He **IS** the beginning and the end!

A Sincere Note of Thanks...

We want to take a moment as a family, to say **how much we thank God for you in our prayers!** It is very humbling to see God’s care during this season, very much aware that **we** continue in **His** call because of **your** sacrificial giving despite the struggles you are facing. Oh, how II Thessalonians 1:3 has become more real than ever: *“We are bound to thank God always for you, brethren, as it is meet, because that your faith growth exceedingly, and the charity of every one of you all toward each other aboundeth;”* Thank you, & Amen!

On Home Soil...

During May, everything was still shut down, but there was much to be done in the way of writing for the ministry, working with our newly accepted missionaries, and also with *others praying & looking to surrender full-time* with Rock of Ages. What an encouragement! In these uncertain times, God is still calling people into the ministry! June saw opportunity to minister to churches, and news of a *potential open door to our local jail*. My Pastor & I have been praying for some time about this. We had met on different occasions with the new chaplain, and he contacted me to ask **if we would be willing to serve with him when things open up again. Please pray with us!** We were also privileged to be a part of VBS and Sunday services at a church in Georgia. The church saw *two confess Christ as Lord!* We also served for a day at a young church plant in south Louisiana. What a joy to worship & fellowship with a precious group of believers who want to see God do a work through them, in their area & the world! I was also in Cleveland, TN for Prison Prevention training, as we look to new opportunities on the foreign field.

On the Foreign Field...

Pastor Gideon (Nepal) and his wife are still stuck in India, their eight adopted children are in Nepal cared for by a school teacher. Please pray as they try to obtain paperwork to get back home. Pastor Thanga (right) sent this picture - he met another ex-inmate in the marketplace! As an Englishman myself, I smiled at the cup of tea!

One of my lovely prisoner I meet this morning
Praise the Lord and having with a cup of tea.
