PRAYER/NEWSLETTER

April/ May/June 2020

Dear Co Laborers in Christ,

Greetings in the name of our Lord and Savior Jesus Christ. Regardless of the quarantine restrictions in force because of COVID 19 pandemic we have been able to continue our missionary activities online like the majority of our churches in the USA. God is good.... ALL THE TIME..

Our people have been faithful in regards to their tithes and mission offerings and we are thankful that our Lord has taught them well in their financial responsibilities. All are looking forward to the day we can return to normal church services . Hopefully this will be in the near future.

During the months of April and May we lost three church members who are absent from the body but present with the Lord. Two passed away due to heart attacks and one due to cancer of the liver and intestines. They are missed but thanks to you who pray and financially support our missionary ministry they are with their Lord Jesus Christ.

On the 26th of May our oldest son (60) Lanny Gene Wood Jr. suffered a heart attack while at home preparing to leave for work. He was alone but was able to drive himself to the hospital where he went into cardiac arrest. The doctors were able to save him through CPR and other procedures. He had four stints put in and is now recuperating at home.

Judy travelled to Texas on June 4th to help care for him during his convalescence and rehabilitation. His heart is functioning at 40% so he will need a lot of care. Please pray for him, his wife Kelly and Judy during this time. Praise the Lord he is alive and I believe it's because of the prayers of God's people here in Brazil and in the USA.

I will be having my semi-annual checkup after prostate cancer that was successfully treated through radiation and chemo here in Brazil in 2016-2017. I've been cancer free since January 2018. Please make this a matter of prayer. I will greatly appreciate it.. Remember, God is good....ALL THE TIME. Philippians 4:13 & 19
