JULY 2020

Your Missionary to the Himalayan People

Greetings to all of our church family in the name of our Lord Jesus Christ.

By the Grace of God my family and I are doing well even though there are so many fears, confusion and anxieties during this pandemic crisis that has now effected the entire world.

There has been one benefits of the lock down since March 2020. I have been able to spend quality time with my family, loved ones and was able to visit all of my church members homes. There having bible classes together also reflecting on the grim reality that surrounds us. I realized how precious and valuable it is to have such a loving church family. At a time like this, where the whole world is filled with chaos and uncertainty, Jesus Christ is our only hope. He is our healer and our protector who is in control of our lives and that we should always trust in him in all things. For the protection of our lives from this pandemic lets look beyond the horizon and remember that he knows whats best for us This whole situation has become so uncertain and not one of us has an idea how long this is going to last. Each and everyday the virus is spreading and the number of people affected is increasing day by day and as the number of infected people continues to grow as the lock down continues in our State. Due to this travels are restricted and when they will resume we do not know. However I am keeping in touch with our fellow missionaries in Arunachal Pradesh, Bhutan, Nepal and Myanmar and others country praising God that every one is keeping safe and covered by the precious Blood of our Lord Jesus. Due to this pandemic college and school are still closed.

These students and children now spiritual believers in the faith are our family, our sons and daughters.

Our daughter Priscilla received her 12th grade exam result and passed. She is planing to pursue her studies in nursing Our son Samuel will be pursuing his theology in Nagaland Baptist College. Our daughter Esther is preparing for her final 10th grade exam, all the other kids are taking online classes, Amen. Please continue to pray for our Immediate needs. I understand even though many are going through a tough time losing jobs and businesses let is all stand together united in the faith and praying for each others continuous work for our Lords Kingdom.

Thank you and God Bless you all.
