My Prayer and Appeal

I remember during my deputation, away with my family for a long time. I experienced sleeping in the rest area for four times, I travelled for 18 to 20 hours. I had an accident, my car was totally wrecked and I was rushed in the hospital. Has been hospitalized for dehydration. God saw my hard works and blessed me. I reached a level of support that can support my family, supporting 9 locale pastors in the Philippines, feeding and campus ministry, a radio program reaching a large scope even to the mountainous area. But because of the negative letter written by my former mission board, destroying my reputation and testimony, I lose half of my support, dear friends, and pastors that I considered as a father. The effect is some of my ministries were stopped and building construction ceased because of lack of funds. Now, I am appealing to those churches who stop supporting me for a simple reason— that those ministries and construction will continue. I was never involved in any scandal, never been a womanizer and I never misused any church funds. I am still firm and upholding the right doctrine. And the only mistake I committed is that I didn't resigned earlier in my former mission board, I can no longer swallow the system that is now being run by the management, I have been quiet for how many years but I need to stand up with my principles and convictions.

Special Thanks

To my faithful supporters and brethren, as always, thank you so much for your faithful prayers, standing at my back, supporting me and encouragement. Me and my family with my fellow workers in the ministry will continue to strive to serve the Lord, for the ministry to soar to new heights. For the cause of Christ!

Prayer Request :

Family, health, wisdom, more souls and mission works, church workers, church building completion, God's provision.

Sincerely Yours,

Bro. Dondon, Gina, Bethany, Biboy and Brielle
