

THE KING'S KATCHUP

To "catch you up" on the Gospel work of Jim and Pat King

Some Reasons to Read Good Christian Literature.

- * You will grow in your knowledge of God, yourself and the world around you.
- * You will gain a better understanding of the Bible, the Book of books.
- * You will be able to sit at the feet of some of the great Christian teachers and minds over the centuries.
- * You will be able to practically apply Paul's command to think upon wholesome things.
- * You will enjoy spiritual input during the week, not just on Sunday.
- * You will be better prepared for the task of evangelism, after reading clear presentations of the Gospel by great communicators.
- * You will gain information for your ignorance, inspiration for your weariness, and insight for complex problems.
- * You will be drawn to worship God, especially when the literature centers on God, not man.

For many years in Brazil we gave the Brazilians good Christian literature through books and our paper "The Pastor's Good Friend" in Portuguese. The work of evangelism of the unsaved and teaching of the saved continues to this day through the Internet.

In the States here, many of you have helped us get out good quality Bibles to the Inmates we minister to in the Polk county jails here in Florida. THANK YOU!

Many lives have been transformed in the Faith Based Dorms of the two county jails that Pat and Jim work in. In the person of Sheriff Grady Judd, a good Christian man, we have a strong leader in this ministry of getting the Word of God to the Inmates.

Every four years, about this time, the politicians speak of an "October Surprise". It is usually something bad revealed about a political adversary.

Our "October surprise" was when Jim had a heart attack on the fifth of this month. Praise the Lord, we got to the hospital in time and it did not turn out as bad as it could have. The doctor put in a stent and now he is feeling much better. He just has to take it easy and miss his jail ministry for a few weeks.

The last we heard, Brazil was just behind the States in the number of Coronavirus cases. There are still a number of restrictions and many churches are doing their services on the Internet.

We continue to be thankful for your prayers for our work and your financial support. As we have said so many times

through the years, "We could not do what we do if it were not for the fact that you do what you are doing."

Lord willing, we will be taking on the full load of our ministry before long. We will write again after the election and the holidays. God bless.

Sincerely in "CHRIST",

*Jim & Pat
