November 2020

Dear Co-Laborers and Prayer Partners,

We pray this letter finds you happy and rejoicing in the Lord. Thanks, be to God, our Father and Savior! It's that time of year when we take time to celebrate and give thanks for many things in our lives. It's a time of reflection as we look back on the previous year and a time to get together with friends and family. I just wanted to wish you all a very Happy Thanksgiving and a very Merry Christmas.

This year has been a very unusual year as the COVID-19 pandemic has spread throughout the world. In all of my life I have never seen anything like this. I am so thankful that we serve a great God that loves us and watches over us.

Since March most of the borders in Central and South America have been closed due to the pandemic. I long for the day when the borders start opening and allowing United States citizens entry into those countries. Early this year I had several trips planned for going to Mexico and South America and being in some churches there to minister to the Spanish people. Unfortunately, I have not been able to do so as the borders are still closed. Be praying that this coming year they will start to open again.

Last week I had surgery for a hernia and at present I am in the process of recuperating. Please be praying for me.

I am so thankful for each of you, continuing to support my ministry. How very grateful I am for churches and friends like you. May the Lord bless each and every one of you.

Your Missionary Frank Gillespie
