KING'S KATCHUP

To "catch you up" on the Gospel work of Jim and Pat King

WE ARE BACK!

Praise the Lord, after He got us over some medical issues, we were able to return to our jail ministries. The women inmates were

happy to see Pat and surprised her with a home-made Christmas card. This is a scan of it. The women were proud of their creation and some signed it.

Many of the men in Jim's faith based class show real spiritual growth. We trust that they will continue to grow after they return home and not go back to their former lives.

We have worked in two county jails for a number of years now. We recently learned of a state prison that is not too far from us and we are going to see if Jim can get in there to preach and teach. Do pray that this will work out if it can be the Lord's will.

Another prayer request would be that the inmates would have the ability to discern false teaching when they hear it. In the faith based dorms all kinds of groups with strange beliefs can get in and confuse the people we work with. We constantly emphasize the need for them to keep on studying the Bible after they are released to go home.

We are thankful to the Lord for protecting us from the virus and our inmates also. We have not had to miss one Bible study because of the covid-19.
