

Vito Aomi Missionary to the Himalayan People

February 2021

Greetings to you all in the name of our Lord and savior Jesus Christ .

I want to give thanks to the Lord for giving me this opportunity through all these years from the missions field to write to my church family.

I am hoping and praying that each and everyone of you is in good health mentally, physically and spiritually. I give my gratefulness for all the love, prayers, and support I have received from everyone of you.

Due to the Pandemic our government continues to issue lock-downs and everyone is being restricted from traveling. I am prevented from visiting the churches and mission fields.

Prior to that we could visit and do all but now all institutions are closed down including our Bible College.

A recent update and praise to our Lord. These days like the rest of the world things are slowly going back to normal and we have opened the Bible college with a small amount of students.

The children in Mercy Home Orphanage are all doing fine and are eagerly awaiting the full reopening of their school.

Hopefully I will soon be traveling to different areas along with my missionary to spread the gospel of God.

I once again humbly request everyone of you to uphold me in your prayers. With Gods mercy and guiding hands it is through your faithful prayers and support I am able to work successfully extending the kingdom of our great God.

May you each day have a great and blessed day throughout 2021.

Thank you

His Servant

Vito Aomi
