Dear Co- Laborers in Christ,

Greetings and blessings to all from Brazil. Judy and I would like to thank each of you for your continued prayer and financial support both personally and ministerially. God has blessed with souls saved, converts baptized and members added to the churches. Even in difficult situations God's Word is not hindered and His Spirit continues to move in the hearts of the people.

In spite of the restrictions due to COVID 19 we have been able to function almost normally. Here in Brazil churches were closed for in person services from March to August 2020. We ministered on-line as did many other churches and God blessed. We were able to resume in person service the middle of August 2020.

We are having normal services in our churches but have to practice distancing and this keeps our attendance down but are slowly opening up and people are returning. March 7, 2021 we began divided Sunday School classes for all ages. For months we weren't allowed to have children under the ages of 12 but that restriction has not been lifted.

Unfortunately our hospital evangelistic services are still prohibited but hopefully this will change in a few weeks. Please make this very fruitful ministry a matter of prayer. One of our churches, Central Baptist Church houses and cares for some cancer patients from out of state when they periodically return for treatments and evaluations.

May God bless each of you. Philippians 1: 2-6
