Vito Aomi Missionary to The Himalayan People

Dear Brother and Sister in Christ

Greetings to you all in the name of our Lord and Savior Jesus Christ. I pray and hope that you all are keeping safe by His mercy and Grace. By God grace through your faithful prayers we all are doing well. I want to thank you all for faithfully supporting us through these years. In our area many people are effected by COVID and our hospitals do not have enough supplies, beds, or oxygen. Vaccine distribution still to this date is not available. Sadly the number of COVID cases continues to increase every day. With this increase we are again in lockdown with travel restrictions.

We are going through a lot of difficult situations at this time. Fortunately these local church members, neighboring country pastors, and missionaries are at this time in good health because of movement restrictions. We are not able to travel or visit new places and villages. As soon as our government lifts restrictions we are ready to return and start visits and travel to these new villages up in the mountain areas to spread the gospel.

All of our orphanage children are doing well. Since last year the schools have been closed but they are taking class online at home. Our oldest boy Samuel will be continuing in Bible college. Priscilla is in Nursing College and Esther has just finished high school. She will be going to Bible College because she wants to be a missionary, Amen. Because of the COVID situation the government is not allowing colleges to open so we don't know when Nagaland Baptist College will reopen.

Please continue to remember us in your prayer time. Your prayer support is vital to our outreach and needs. Thank you so much for your prayers and financial support. May the Lord God in His grace bless each and every one of you.

His Servant
Vito Aomi
