

KING'S KATCHUP

To "catch you up" on the Gospel work of Jim and Pat King

Dear Ones in the Lord,

We are full of gratitude to the Lord as we come to you with another edition of our newsletter. Since our last letter Jim and Pat celebrated their 60th wedding anniversary. They went up to Panama City, Florida, and had their anniversary meal at the same restaurant where they had their first date many years ago. When Pat mentioned this to the women in her jail ministry, those women were amazed that Pat is still with the same man after sixty years!

Another blessing from the Lord is that we can now do both the women's and men's jail work on the same day. We have been trying to get this changed for a long time. Doing both of our classes on the same day enables us to save a lot of millage on our car as the jails are so far away.

Although attendance goes up and down, we have had some pretty good groups come to our Bible studies. The men have been especially attentive recently. We sometimes have 40 men or more and a good number of them are showing real spiritual growth. We still have to correct some of the wrong doctrine they have heard from other groups. We teach those who have been saved to be missionaries to their families when they get home.
