France The White Family

Jim, Adie, Cybie, Mac & Millie

Things here in France are going well. It's been an interesting and productive summer! One of the major changes over the past couple of months has been the governmental implementation of new restrictions out of fear of a fourth wave of Covid. These restrictions hinder the movement of anyone not vaccinated, so while Adie and I were on the fence about getting the jab, we realized ministry and life here would become difficult if we didn't. God has given us peace about the situation so far and thankfully church is still open and while social distancing and face mask rules still apply, we are grateful no other limitations were placed on us gathering to worship!

In our last newsletter, we shared the exciting news of Eunice receiving Christ. Since that time, I've had the opportunity to start discipling her. I would ask that you continue to pray that she'll grow in her newfound faith and seek God with all her heart! Eunice is here in France with her eight-year-old daughter, Treasure, seeking residency. Our church was able to sponsor her this summer to attend junior camp. It was her first time being away from her mom and her first experience at camp. We praise the Lord for great Christian camps that teach God's word. While Treasure

hasn't yet decided to follow Christ, we are praying she'll soon understand and accept Jesus!

Please pray for Sandra and Miracle. Both ladies are from Nigeria and are seeking residency. Sandra is someone that Danny reached before we arrived last fall and Miracle is a friend of hers who recently started attending services. Since her visit, we've been able to hold several Bible studies and present the gospel on multiple occasions. She isn't saved yet, but we are praying that she too will soon decide to give her heart to Christ!

Sadly, last Sunday, we said goodbye to one of our faithful men, Rene. Over the last six months, I've really gotten to know Rene and seen God work in his life. He's in a tough place as he's separated from his family who are back in Congo. Our prayer is that he'll hold on to the teaching he's received, continue to grow, and find a good church in Nancy where he has relocated.

In closing, Adie and I want to thank you for your generosity, faithfulness, and prayers. We are so grateful that God has given us the opportunity to minister here in France and are thankful for all those who help make serving the Lord here possible!
