The memorial service for Pam's mom, Norma Stocker, will be at 1:00 on Saturday, October 23 at the Methodist Church in Sturgeon, Mo. The obituary and details are on the funeral home's website, [oliverfuneralhome.net](http://oliverfuneralhome.net)

Also, Pam was admitted to the hospital late Sunday night with a blood clot in the vein in her neck where they have the port for her chemo treatments. She is also having difficulty swallowing anything this morning. This is probably caused by a combination of an ear infection, the clot, and inflammation from the radiation treatments. They are scheduling her to have the port removed late Monday or Tuesday morning and also begin 3 weeks of blood thinners. Still waiting for an ear nose and throat doctor to examine her as well.

The Lord has been so good to us through all of this. We praise Him for all He has done and are trusting Him to continue to bring us through this time.
