Dear Friend's in Christ,

This is the day that the Lord has made, let us rejoice and be glad in it. As we look around us we see so much that is evil but we can still rejoice because we serve a mighty God that sits on His throne forever and all of His purposes will be accomplished according to His word. Amen

We have experienced some cases of Covid in our church family. Now we are seeing many returning . We thank the Lord for His mercy.

The Lord has laid on the heart of our Pastor and staff to start a bus ministry. This Sunday we will be having our annual homecoming. It is a blessing to see God working in our midst. May all that we do be to God's honor and glory.

Another praise that I have is that in a few days I will be celebrating my 93rd birthday. God is good. Pray for me to always be a fit vessel for Jesus to serve Him as long as He gives me life.

I praise God for you who have been so faithful to pray and give. May God bless you.
