Prayer Letter – September 2021

For eleven years we have had a hand in helping dozens of church planters in 18 states. In addition, we have invested in over 40 young pastors—helping them be successful in life and ministry, for God's glory!

Our ministry has experienced significant growth and have long ago outgrown our leased space and my home office.

God has led us to a \$350,000 building that we are able to purchase for \$170,000. But I need your help in doing so! We need to raise \$95,000 by November 30, 2021. This building will be used as a training center as well as house our daily mission agency operations.

This past week a pastor and church promised to provide \$47,500 (one-half of the \$95,000) if we can match that amount by November 30. This is an enormous blessing! A gift of \$100 becomes \$200; a gift of \$1,000 becomes \$2,000; a gift of \$5,000 becomes \$10,000, etc.

Perhaps you could receive a special offering or direct funds from your missions account; after all, church planting is the very heart of missions!

At this time of year, we normally receive a National Church Planting Month offering to help our church planters. This year—and this year only—our NCPM appeal is going towards the purchase of this building, so we may have an even greater impact on church planting here in America, as well as in the lives of many young men in ministry.

Please make your most generous gift payable to Church Planting America, marked "building" and send it to me as soon as possible. The deadline is drawing closer every day!
