

KING'S KATCHUP

To "catch you up" on the Gospel work of Jim and Pat King

Dear Friends of this Ministry,

Because of the COVID-19, we did not have our Polk County volunteers luncheon this year. So we use a few pictures here from last year to remind us of that annual event.

Jim being recognized for the amount of hours he served.

We are thankful for the privilege the Lord gives us to serve in the men's and women's faith based dorms.

You may know that sheriff Grady Judd is a

Christian man and started these dormitories so that the inmates can hear the gospel and learn how the Lord Jesus Christ can save their souls and transform their lives. And many have indeed met the Lord in our jails.

Jim and Pat with Grady Judd, the great sheriff of Polk County, Florida.

In addition to the county jails, there is a Florida State Prison here in our area of the state. We have filled out a form and sent it to Tallahassee but have not received an answer yet. Do pray that if it is God's will, Jim can get

Polk County volunteers.

into that prison where so many guys are doing "hard time" to preach and teach.

We thank the Lord for fairly good health so that we can continue to do our ministry. Pat has had some back discomfort and is having to have injections of a special cement into her bones to alleviate the pain. Pray that this will work so she can be pain-free soon.

THANK YOU for your continued prayers and financial support. As we have said so many times, "We can do here because of what you do there."

Sincerely in "CHRIST",
The Kings
