Jim, Adie, Cybie, Mac & Millie

France The White Family

The past several weeks have been busy! We flew out of Paris in early November to start a brief four-month furlough and since then, we've logged nearly 1,500 miles on the road and 7,200 in the air. Please pray with us as we have several meetings scheduled as well as doctor, dentist, and other appointments.

In September and October, we had several opportunities to get out and distribute literature and tracts. We've been blessed to see several older church members who haven't been back since the beginning of the pandemic, return with regularity. There are still several who are hit and miss, and our prayer is that God will continue to grow our numbers and increase the faithfulness of our people.

Two weeks before we left, I sat down with Eunice, a recent convert, to do a discipleship lesson and asked her again if she was ready to get baptized. She had been apprehensive, saying she wanted to grow more in the Lord before she followed in baptism. This time, however, her response was that she was finally ready! So, this month, our teammate Danny was able

to baptize her, as well as another man in our church named Kevin. I'm so thankful for the way that God is working in the hearts of the people in our church. Please be in prayer for Eunice and Kevin as they continue to grow!

One major answer to prayer this past month was when Adie received a call from the immigration office saying that her annual visa was ready to pick up. If you would, please pray for mine. I was offered a longer visa this year but it's taking longer to process. We are praying that everything will go smoothly.

As always, we are so grateful for your constant prayers and support! We

hope you have a very merry Christmas as we celebrate Jesus and all He has done for us!

Prayer Requests:

1. Eunice & Kevin's spiritual growth
2. Covid situation in France
3. Jim's visa renewal
4. Safety while home on furlough
