

MERRY CHRISTMAS

The Taylor Family
6325 Alderton St
Rego Park, NY 11374-2824

Words cannot express our love and appreciation for you. This year you've sacrificially given to our ministry and prayed for us endlessly. We are so grateful to partner with you in reaching the world for Jesus Christ through New York City.

As we work towards our third church plant, we are reminded that we couldn't do it without your incredible support. All glory to God for the work He is doing both in and through you. We thank Him for you every day. Merry Christmas and a joyous new year to all of you.

Your church planting missionaries to New York City,
